This proposed language would permit the transportation of the Associate Justices of the Supreme Court between the Court and their place of residence in the event that it is determined that there is a threat to their security. This proposal would not affect outlays.

THE JUDICIARY

For an amount to enable the Architect of the Capitol to construct a building on the United States Capitol Grounds to provide office space for the judicial branch, \$5,500,000 to remain available until expended.

DEPARTMENT OF AGRICULTURE

FOOD AND NUTRITION SERVICE

FEEDING PROGRAM FOR WOMEN, INFANTS AND CHILDREN (WIC)

This transmittal constitutes a request for an additional \$76.4 million in fiscal year 1985 budget authority for the special supplemental food program. Under the terms of the Continuing Resolution, these funds become available for obligation on August 2, 1985 upon receipt of a request by the President without further Congressional action. This proposal would increase fiscal year 1985 outlays by \$72 million.

DEPARTMENT OF COMMERCE

NATIONAL OCEANIC AND ATMOSPHERIC ADMINISTRATION

FISHERMEN'S GUARANTY FUND

For an additional amount for "Fishermen's Guaranty Fund", \$2,500,000.

The supplemental appropriation would provide funds to compensate U.S. commercial fishing vessel owners who have entered into guaranty agreements for certain losses and costs caused by the seizure and detention of their vessels by foreign countries claiming oceanic rights not recognized by the United States. Three outstand-

ing claims totaling \$2.5 million above the amounts already appropriated are pending and require payment. This proposal would increase fiscal year 1985 outlays by \$2.5 million. Additional fees will be collected from commercial fishing vessel owners who have entered into guaranty agreements to offset these increased outlays.

THE DEPARTMENT OF TRANSPORTATION

FEDERAL AVIATION ADMINISTRATION

OPERATIONS

1985 budget appendix page	Heading	1985 pay supplemental request pending	1985 proposed amendment	1985 revised request
II-38	Operations.....	\$22,000,000	\$15,000,000 (transfer)	\$37,000,000

This proposal would provide funds to cover unanticipated additional pay costs for air traffic controllers due to their faster than expected qualification for more senior positions. Thus, the Federal Aviation Administration is able to absorb less of its 1985 pay raise than it previously expected. All of these funds would be derived by transfer from other Department of Transportation accounts. This proposal would increase fiscal year 1985 outlays by \$5 million.
